POST BOY

OFFICERS:

Our last meeting in April was held at the Fallon Navy Base in Fallon, NV. The turnout proved to be excellent. Included in our visitors and members was Lena Sharp from Tonopah, along with several of her students. Due to a misunderstanding, they were dissappointed, as they had anticipated on seeing a stamp show. We hope that Lena and her students will be able to attend NEVPEX '86 in June and see the show they had hoped to see this time. At the meeting, Gus Geiger provided us with an up-to-date VCR of his task of plating German sheets. It proved to be the best and simplest to understand his tedious work. Everybody wished him success. I don't know if he picked up any converts, though. Prior to the meeting, we were entertained by the San Francisco Navy band as well, as a country and western music band. This was followed by a fine performance of several Naval aircraft, who demonstrated the techniques of landing on aircraft carrier. All was interesting and enjoyable. The booths in the hanger provided a chance to meet new faces and see new products, as well as provide new information to those that attended. Art Swanson and his son maintained a booth, as well as NSSS. At the last report NSSS had almost sold all of its postcard stock. We should hear a report on that project this coming meeting.

After the daytime festivities, those who were fortunate to attend the evening dinner and dance were treated to a superb dinner, and fine dance music. The dinner was catered by CWO Dreiling's own BOQ chef, and the music furnished by the San Francisco Navy Band. Reports are that it was a tremendous success. This is our own Dick Dreiling, who is also the recreational officer at the base. Those who missed, missed. As it will not happen again, at least, for another 25 years.

Our own show, NEVPEX '86, will be coming up in less than two months. It is hoped that many of you will be participating again, both as exhibitors, and as assisting in setting up and taking down the show. It should be another fine performance. With the curtailment of travel overseas, all tourist sites are expecting a large increase in visitors. It is already showing up. We should benefit by this as well.

Pres: Jack Barriage
 Vice Pres: Bill Brew

 Membership: Dave Starr

Our first meeting in May will be another slide show of early Nevada history. Along with are usual mini-auction and drawing. Plan to be there and enjoy our many members company. Meeting will begin at 2:00 p.m., our new meeting time.

At the second meeting in May, NSSS will hold its annual philatelic stamp auction. We have about 60 lots and the list in enclosed for your convenience. If you so desire to mail in a bid, please send it to our PO. Box AD in Sparks, NV.89432. Last pick-up of the mail will be on Sat. morning of the day of the auction, May 24.

NSSS is in need of a program chairman. If you feel that you would like to handle this position, please contact Jack Barriage. There are many of you that are capable of filling this job. Perfect attendance is not required, but simply see to it that there is a program of some sorts for each of our meetings. Believe me, it is not as difficult as it may seem. With a little perceiverence, one can line up 3 or 4 months programs in advance, in a twinkling of an eye. So step forward and make your presence known. NSSS would appreciate it very much.

As Editor I feel it is to your benefit to know of the future shows that are sponsored by our fellow members of the Council of Northern California Philatelic Societies. Many of us have traveled to these shows and have been rewarded by our visits to them. I only hope that those fellow members would announce our show in their house paper. It would be one way of stimulating the spirit of philately for all of us.
