NEVADA STAMP STUDY SOCIETY - REGULAR MEETING - JULY 25, 1992

The meeting was called to order at 2:20 PM by President JERRY FENWICK. Twenty members were present and four visitors.

Visitors were THEODORE HELMREICH and his son JOHN. THEODORE is the collector of the family, specializing in Germany and is a member of the German Postal Union, however he is hoping that JOHN will also become involved in collecting.

ROY ZIMMERMAN who lives in Gardnerville and collects worldwide. ROY became the newest member of our club and we all welcome him.

TOM AVAMPATO of Reno. TOM is not yet a collector, he does work for the Postal service, but would like to be a collector not only for his own satisfaction, but also to get his young daughter interested in stamp collecting. His main interest in coming today was to get information on the RIGHT way to collect, and he promises to be back to check it out further.

An election of officers should have been held at our first July meeting, but unfortunately was overlooked, so due to the fact that we were only in need of two officers - Vice President and Secretary, it was decided to accept nominations from the floor, and vote on those nominations at this meeting.

AL SHAY was nominated for Vice President by WALT SOMMER, seconded by RON SCHULTZ, motion carried and AL is our new Vice President.

KAY WILLIAMS was nominated for a second term as Secretary, by RUTHE DREILING, seconded by WALT SOMMER, motion carried and KAY is still our Secretary.

RON SCHULTZ finishes up his term as Director at the end of this month, but it was not necessary to elect another Director at this time, so your new slate of officers is: President - JERRY FENWICK, Vice President - AL SHAY, Secretary - KAY WILLIAMS, Treasurer - WALT SOMMER, Directors - DOROTHY JOHNSON, LEE GRAY-BEAL & ED HARTLEY. Associate Directors are DICK DREILING - Permanent NEVPEX Chairman, JACK BARRIAGE - Corporate Agent & Assistant Air Race Chairman and RUTHE DREILING - Air Race Chairman.

One other job needed to be filled - Program Chairman which was formerly handled by GUS GEIGER. BILL BREW came through and volunteered to take on this job.

A report on Air Race progress was made by RUTHE DREILING. JACK BARRIAGE attended a meeting of the Air Race committee, and details of that meeting were given. Everything seems to be progressing on schedule with the exception of the Post Office.

We have not been advised by them as to their participation or the approval of a special cancellation, but a letter has been sent to JACK WILKINS, Postmaster asking for a progress report, so we are hoping to have that matter settled in the near future.

We do **NEED** workers to man the booth during the four days of the Air Races. At the present time we need THREE workers for Friday, September 18th - ONE worker for Saturday, September 19th and TWO workers for Sunday, September 20th. All slots were filled for Thursday, September 17th. If you can fill one of the above days, PLEASE call RUTHE right away at 359-2030....We REALLY need YOU.

The Auction - 18 lots - was run by RON SCHULTZ. 14 lots sold for a total of \$119.50, we really had some nice material.

Refreshments were furnished by CAROL MC CABE, delicious Zucchini bread, fresh fruit salad and toasted snacks, Thanx CAROL.

Just a reminder - part of the job when furnishing refreshments is to police up the food area when finished.

Our drawings were enhanced by the donation of some quality First Day Covers by RON SCHULTZ. Winners were RUTHE DREILING, CHUCK CLIPPER (2), WALT SOMMER, THEODORE HELMREICH, JOHN HELMREICH, DOROTHY JOHNSON, BOB NORRIS, AL SHAY, SHIRLEY PIEKARSKI & ROY ZIMMERMAN, with RICHARD PIEKARSKI winning the cash award.

Meeting was adjourned at 3:30 PM.

Thank you, Ruthe, for being Secretary for me today.
