SOCIETY

The September 12th meeting was held with 22 present. Because of a UNR football game we met at 12:00 Noon.

Al Shay gave us information on the Earth-Wind Balloon flight. Posters and pins will be available at the Air Races. The club will get a percentage of the sales.

Unofficial Air Race will be available for 1990-1991 and 1992.

Dot Geiger gave some interesting covers for the drawing today. The money was won by Chuck Clipper.

Ray Ely furnished home made cookies and fruit. Really good!

Rene St Pierre served as auctioneer and 8 of 15 items were sold.

Ruthe gave out schedules for workers at the Air Races. All other plans were in order and we were looking forward to the races.

Bill Brew presented an interesting program on Revenue Stamps. It is unbelievable how many Revenue Stamps have been issued and for what purposes.

The meeting adjourned at 1:45 P.M.

The September 26th meeting was held at the regular time. Al Shay, Vice President, presided in the absence of President Jerry Fenwick. 24 present

The Treasurer's report showed a balance of \$ 11,339.76 before any of the expenses at the Air Races had been paid.

Covers given by Ron Schultz, packets of envelopes from the club and 2 posters given by the Postal Service were won on the drawing.

Ron served as auctioneer and 23 of 24 items were sold.

Ruthe thanked everyone for their help and cooperation at the Races. Over the 4 days we took in \$ 9,613.20. After all of the expenses are paid there should be a profit of approximately \$ 1,700.00.

New booths were set up this year and we had a double size one, making it much easier to handle sales. 2,083 post cards were sold! All 400 of the cacheted envelopes were sold. It was suggested that no more than 500 envelopes be stocked for any one year. Jack Barriage had designed the cancellation but due to a mix up at the Post Office one was used from a previous year. Ruthe will write a letter to the Post Master explaining this problem so we will be sure to have our own for another year. Rick Barbieri was in the Postal booth next to ours and he was very cooperative.

Al noted that Cindy Scott, a former member, has made the cancellation for the Earth-Wind Flight in November. Watch for publicity.

Ed Hartley asked how the club uses the proceeds from money making projects. Explanation: storage rental for equipment, meeting room rental, Post Boy and postage, rental of Sierra Arts facility for NEVPEX, subsidizing the Christmas Party and the summer picnic. Also much money has been spent for the purchase of frames, used at NEVPEX, cash register, slide projector and other supplies.

Bill Brew noted that our October 24th meeting will not be held at our regular meeting room. A place will be announced at our next meeting. The October 10th will be in the usual place at 2:15 P.M. Bill will have the program. November 14th Tom Morrissey will present a program on Massachusetts. November 28th Bill Brew a program from Stamp Collector. December 5th is the Christmas Party at Lucky Lane Club House. There will be no meeting on December 26th. The General Auction is being planned for January 23rd 1993! We hope each member will try to participate. Anyone is welcome to present a program.

Larry Scott announced WESTPEX will be held in the spring and he has been asked to exhibit on Tibet.

Dotothy Johnson and Jessie Rogers will provide refreshments at our October 10th meeting and Ron will provide on October 24th.

As Nan Bittner is not feeling too well cards would be appreciated.

There was a Coin Show in Carson City September 26th and 27th. Also on the 27th there was an Antique Aircraft Show.

The meeting was closed at 3:40 P.M. by Ruthe as Al had been excused.

JUST FOR TODAY

JUST FOR TODAY:

try I will live through the next 12 hours and not tackle all of life's problems at once.

I will improve my mind. I will learn something useful. I will read something that requires thought and concentration.

I will be agreeable. I will look my best, speak in a well-modulated voice, be courteous and considerate.

I will not find fault with friend, relative or colleague. I will not try to change or improve anyone but myself.

I will do a good turn and keep it a secret. If anyone finds out it won't count.

I will have a program. I might not follow it exactly, but I will have it. I will save myself from two enemies, hurry and indecision.

I will do two things I don't want to do, just because I need the discipline.

I will believe in myself. I will give my best to the world and feel confident that the world will give it's best to me.
