SOCIETY

The May 8th meeting was well attended, there were 22 present. Jerry Fenwick President, presided.

As we have enough of our members belonging to "The American Philatelic" we are able to receive a year's subscription to the magazine at no cost to our club.

POST BOY

Walt Sommer is still slowly improving and will be back with us before too long.

Volunteers are needed for the youth table, reception desk and the kitchen for NEVPEX. Rick Sorenson or Chuck have exhibit sheets. Members are urged to exhibit at least one frame. Tom Morrissey has assembled packets and taken them to the local schools. Some have shown much interest in the program.

A new catalogue on Crosby Covers will be purchased for the use of club members.

Tom Morrissey, Catherine Cole and Ron Schultz gave items for today's drawing. Dot Geiger won the cash.

Hugo Havet told of an interesting experience he had while in the service, but he was not as lucky as his friend was to come out on the winning end!

Larry Scott had attended WESTPEX, the largest show on the West Coast. There were 300 exhibit frames and the competition was great. The Nepal-Tibet Societies had two meetings with 20 in attendance. Larry won a very pretty medallion on his Nepal exhibit. Just to compare, their banquet was \$30.00 and rooms were \$75.00 per night. August 14th is the day picked for the picnic. We need a place to hold this fun activity.

A nominating Committee will be appointed in June. Offices open are President, Treasurer and 1 Board Member. If anyone is interested in serving please contact Jerry. A guest, Doris Holohan, was introduced. She had written a letter to Bill Clinton, President Elect, expressing some of her ideas and thoughts, she received a return card from the office of President Elect Clinton and Vice President Gore. She showed Inaugural Covers with post marks from Hope Ark., Carthage, Tennessee and Washington, D.C. All bearing the Elvis stamp.

A break was taken to enjoy the refreshments brought today by Jack Barriage and Al Shay. Thanks to all who volunteer for this time to share "Goodies."

Jerry conducted the mini auction with 19 lots posted, only 9 were sold today.

REMEMBER NEVPEX JUNE 19 & 20 AT PIONEER THEATRE AUDITORIUM

LET US ALL PLAN TO ATTEND AND HELP AND ENCOURAGE A FRIEND TO COME

A thank you to Mr. Aubrey Cupp for a large box of items to be used on the youth table at NEVPEX.

The May 22 meeting was small, only 11 present and those not attending missed a good program. Jack Barriage showed many covers of Inaugurations dating back as far as 1932. Ronald Reagon has the most places of cancellations. One special cover was for the first primary election in 1842. An interesting discussion was held after Jack's presentation.

As President Jerry Fenwick, Vice President Al Shay and Treasurer Walt Sommer were not there Jack Barriage presided, thanks for a job well done.

A thank you note for the plant and all of the cards and phone calls was read from Walt. He is doing better and will be back to meetings very soon.

Larry Casteel from the Reno Post Office has sent a copy of our NEVPEX flier to all of the local schools. Ron Schultz moved the Secretary send Larry a note of appreciation. 2nd and passed.

Members are asked to put NEVPEX fliers in the Senior Citizen centers, laundromats, Bowling Alley and grocery stores the first part of June. Jack will contact the Bulletin Board. Information will be sent to the Girl Scout and Boy Scout offices.

Tom Morrissey and Ron Schultz gave covers for today's drawing - thank you. Carol McCabe won the cash.

As the club insurance is due Jack will contact the company for a copy of complete coverage. The bill will be paid.

Today's auction was small, 6 lots posted, but they all sold. A thank you to Ron for being auctioneer.

Jack will move items from the club store room to the Pioneer for use at NEVPEX.

Time and place for the picnic will be decided at next meeting when more members are present. It will be August 14th. A place is needed.

Larry and Vivian Scott will be on vacation until the 2nd meeting in September. Have fun and we will miss you.

Carol helped set up for refreshments today, thank you Carol.

June 12th meeting will be preparing items for the youth table at the show. \*Walt Sommer has refreshments. June 26th Hugo Havet has a program prepared. A volunteer is needed for refreshments.

WHEN AL SHAY'S Reno big band came up short one trumpet player at Winnemucca during a Nevada rural tour, he recruited Humboldt schoolboy Tony Cataldo, 13, on the spot. The boy won praise from trumpet stars Mark Curry and Scott Scheurmann, who played alongside him.
