

Presents
THE POST BOY

Well, the Air Races are over with and the results will be known soon. Probably by the Oct. 9th meeting. A lot of labor was put into this project by a relatively few members. Ruthe Dreiling was the main stay of this program. The effort was well worth the results. This is the only main source of income for the running of NSSS. NSSS thanks all that participated in making it a success.

Board Meeting, Sept. 10, 1994

Meeting was delayed due to another organization taking over our room. We finally ended up in the Chemistry lab.

Meeting was conducted by Ed Hartley, vice president.

Those in attendance were Ed Hartley, Ruthe Dreiling, Walt Sommers, Kay Williams, Bill Brew, and Ivan Horsky.

Walt Sommers presented a complete financial report for the fiscal year 1993/1994. This report was available by Dorothy Geiger from Gus Geiger's NSSS financial computer program.

Ruthe Dreiling read the notice about TOPEX 95 from a recent issue of Topical Times. It was noted that NSSS will host the show for 1995.

Discussion on the upcoming Reno Air Races continued. Manning the booth was one of the big problems that faced the board. Friday seemed to be the roughest day since there were only two available to man it. After some familiar dialogue handling the transferring of the money each day and the timing of the transportation, the manning of the booth seemed to be in working order. We will be working the booth for 5 days, Wed. through Sun.

Due to the other commitments by Jerry Fenwick, Vice President Ed Hartley proposed that Stefan Boiadjev take over the duties for one year. Motion was presented by Ruthe Dreiling, seconded by Ivan Horsky. Motioned passed. Ed would contact Stefan for his acceptance.

The meeting times for the following dates were changed to allow for the home football games of UNR. Please note these times on your calendar, if you desire to find a parking place.

Oct. 8th 12:00 noon

Oct. 24th 2:00 p.m.

Nov. 12th 12:00 noon

Nov. 26th 2:00 p.m.

These times will be noted at the following meeting.

The University has decided to raise the room rental rate. This will jump from \$6.25 per hour to \$16.00 per hour. That means each meeting will see an increase from \$12.50 to \$32.00. It was decided to look for another meeting place, which would be more conducive to our needs and at a reduced rate. This would be brought to the attention of the members at our next meeting. In the meantime Walt would check with the University on paying the room rent for this meeting since

we were bounced from our regular room. Post cards will be sent out to remind members to note the change in time for the Oct. 8th meeting. Next board meeting will be On Oct. 24th.

Meeting adjourned at 1:30 p.m.

C. Wm. Brew
Secretary

N.S.S.S. Meeting, Sept. 10, 1994

Meeting began at 2:15 p.m. with Ed Hartley presiding.

The financial report was given by Walt Summers. NSSS has \$479.06 at this time. There were some outstanding bills to be paid, however.

Ed announced that Stefan Boiadjiev would replace Jerry Fenwick as director for the next year. It was noted that we were not at our regular meeting room due to another group had taken over our regular room. There will a contact made with the UNR about reimbursement of our rental fees for this day.

Refreshments were provided by that Carson City congeniality, Catherine Cole. Hugo Havet brought some very pleasant palatable plums. We thank them for their contributions.

The raffle was held and the winner, Ron Schultz, won \$6.00.

Ruthe Dreiling displayed the cachet that would be sold at the Reno Air Races. Our booth will be at the same spot as always. A request was made for more volunteers to man the booth, especially on Fri. Discussion continued on the Air Races. Prices should be increased at the 1995, due to new expenses which have risen. Ed noted that our room rental will be increasing from \$25.00 per month to \$64.00 per month. Members were asked to help locate a more reasonable place to meet.

Ruthe noted that one frame needed to be repaired. It may be needed for TOPEX 95. TOPEX 95 will be held at the McCarron House on June 16, 17 and 18, 1995. She also read the write-up that was in Topical Times concerning the show for next year. Discussion continued on the room it will be held and the dealer rates for their booths.

The auction was held. 40 items went for sale and 15 were sold.

Meeting was adjourned at 4:00 p.m.

N.S.S.S. Meeting Sept. 24, 1994

Meeting convened at 12:00 noon, with President Al Shay presiding. There were sixteen members in attendance.
