The club has a huge assortment of donated stamps that are for sale to members at 2¢ each. **Betty Mudge** maintains the foreign or worldwide stamps. In addition to the Penny Boxes, members can borrow books from the club library. Dave Gehringer is the librarian. He can bring books to a meeting for a 2-week loan or longer if arrangements are made. The list of library books is on the club website: <https://renostamp.org/library.html>

The club received 15 large boxes filled with books from the estate of Stan Cronwall. Many are non-philatelic but very useful for research. Since Stan specialized in collecting Germany - Third Reich material, there are many books that can be useful if you are interested in this area of collecting.

To dispose of some of the books, they will be offered periodically in the club auction or can be purchased at a nominal price. Dave will bring some books to each meeting to see if members have any interest.
