President's Message

A lot of hard work and planning goes into each year's stamp show with the idea of making it bigger and better than the last. In previous years, our shows have been held in Carson City, however, this year the Club decided to move our show to Reno to give more people an opportunity to attend. Our Show Chairman and his people have done an excellent job, and spent many hours putting this Show together, and my thanks to them. My biggest thanks must however, go to You - our fellow dedicated collectors, the part-time collectors and the "maybe I might get interested" who are now here at Nexpex '79. Without you there would be no reason for the Show. Thank you for coming, enjoy our Show.

*Society of

ABOUT OUR CACHETS

All of the fine drawings used for this year's cachets were done by Mr. Richard C. Datin of Reno, Nevada. These drawings were part of a fine portfolio entitled *Oak Beams and Gables*. The portfolio depicts homes in and around the Reno area that have contributed their own particular charm to the area for over a hundred years.

Stop by the NSSS Registration Table and look at the entire portfolio. They are available for sale individually, numbered and signed by Mr. Datin, for \$5.00. All of the proceeds from the sale of these portfolios has been donated to the NSSS by Mr. Datin.

CHAIRMAN'S MESSAGE

Welcome to NEVPEX '79. Even though this is only our fourth show and bourse, the quality of the exhibits and the camaraderie and friendship has increased a hundredfold.

To all exhibitors, I extend my heartfelt thanks. Without you we would have had no show. Once again, the bourse dealers are sure to be crowd pleasers.

For me to thank each and every person that contributes to this year's show would result in my reproducing essentially the entire club roster. I would like to merely put out a general Thank You to all. You, more than anyone, know how much you contributed in time, effort, and material for our Junior Bourse Table and the show in general.

Thank you!

The NSSS would like to take this opportunity to thank the many dealers who came to this year's show. Many of these dealers have traveled hundreds of miles to attend. All of them work willingly to assist you, the collector, and they buy as well as sell. Please patronize them for all of your philatelic needs. Some of the dealers are local and are available to help you the year around. Please keep this program to aid you in locating any of our show dealers when you have a need.
